

### Overview

The data presented in this graph is intended to provide an overview of your team's ratings across all 6 SAM domains. Items were scored on a 4-point scale ranging from 0 - 3. Each bar represents the average score based on ratings of the items within each of the 6 domains. It is important to note the number of items in each domain varies making them more or less susceptible to the presence of any particularly high or low scores. The six domains are listed along the horizontal axis and possible ratings (ranging from 0 – 3) are listed along the vertical axis.

### 6 SAM Domains

The data presented on the following pages are graphs of your team's ratings of each of each of the items within the six SAM domains. It is important that you have a copy of the SAM available when reviewing these graphs, so that you can refer to the complete item as the graphs only include the item number and few descriptive words. Each of the items within a domain are listed along the horizontal axis and possible ratings (ranging from 0 – 3) are listed along the vertical axis.
