

Broward Educators

WELCOME TO LEAPS!!

Leaps is your online behavioral resource. Leaps includes simple and detailed assessment options as well as a large library of social, emotional, and behavioral lesson plans that are correlated to the Common Core Standards. Leaps includes resources for all different learning ages, from kindergarten through high school.

Leaps includes progress monitoring options and has a great tracking system that will develop reports, student profiles, as well as track fidelity and progress. It is an easy to use but extremely thorough tool for you to use with behaviorally involved students as well as for prevention for all students.

This is a resource for your entire school everyone can benefit from this wonderful resource and all of your staff members will have access with unlimited use!
