

WELCOME TO THE  
CROISSANT PARK MEDIA CENTER

I am so excited to start the 2015-2016 school year with your child(ren). The Media Center at Croissant Park is a central and integral part of your child's academic day. It is a place where children can escape into the pages of rich text and literature. The Croissant Park Media Center encourages the love of reading and the passion for academic excellence. Along with a structured curriculum, we encourage all children to take advantage of the academic online resources that exist in our district. Attached is a flyer listing innovative websites and resources that your child can utilize at school and home. If I can assist you further, please do not hesitate to ask. I can be reached at 754-323-5300.

Sincerely,

Deborah Hart
