Greetings,

Mentoring Tomorrow's Leaders is a peer-to-peer mentoring, dropout prevention and student leadership program that is supported by the district. The program aims to increase academic success and decrease failure rates, particularly among minority males. Plantation Middle School will be joining an increasing number of middle schools that will offer this program.

As a starting point, we need to identify 7th and 8th grade male students that could serve as mentors to 6th graders. Student mentors in this program should fit the following criteria:

- Grade Point Average 2.5 or higher.
- Strong Interpersonal Skills
- Leadership Qualities

Please email me the names of 7th and 8th grade male students fitting this criteria that you think would be good candidates to be a student mentor. We will have an informational meeting with all potential mentors next week. You do not need to inform the student you submitte their name for consideration. Please submit the names to me by the end of the day on Thursday, November 12.

Thank You!
