

### Helping Them Soar...

It is never too early to start thinking about life after high school. Let us guide you about what you should be doing during 9<sup>th</sup>, 10<sup>th</sup>, 11<sup>th</sup> and 12<sup>th</sup> grade to prepare for college. The panel of recruiters from Broward College, Florida Atlantic University, Florida International University, Florida State University, the University of Central Florida, the University of North Florida, the University of South Florida and the University of Florida will be speaking to you about how to prepare for admission to their schools, their programs, their admission requirements and scholarship opportunities. We will end the evening with a Q & A session. Freshmen, sophomores, juniors and seniors, we hope that this event helps you to prepare for your next journey!
