

### **USE HEADPHONES OR EARBUDS**

1. Access the 3-12 WAM Home Page at <https://pmrn.fldoe.org>.
2. Click on 3-12 WAM
3. Students then enter the School Key and click **Sign In**.
4. An image of a drum will appear on the page, and the student will hear the sound of a beating drum.
5. After confirming that he or she can see and hear the drum, the student will select his or her grade and then select his or her name from the list of students.
6. After selecting his or her name, the student will confirm his or her identity by selecting his or her birth date.
7. After the selection of the correct birth date, the student will be taken to the appropriate task(s) based on the task flow. Each task that has an instructional video will require the student will watch before beginning the task.
