Dear Parents:

Have you ever wondered how your child learns how authors write? If so, we are excited to announce our first annual, "Co-Authors' Project". For 3 nightly sessions, Mrs. Schulson and I will be facilitating a writers' workshop.

Attendees will go through the writing process in order to create a fictional book with their child. This is a marvelous opportunity for you to experience, along with your child, what it is like to be an author.

The completed book will be sent to a publisher and you will receive one FREE hardbound copy. You and your child will be able to present your book at a future Authors' Celebration.

We hope that you will be able to take part in this writing adventure!

Sincerely,

Mrs. Bitton and Mrs. Schulson

Writing workshops will be held from 7:00-8:00 P.M. on:

October 21- planning for writing

November 4- receive your writing kit and start writing

November 18- illustration night (supplies provided)

Dear Parents:

Our classes have been practicing our “Bucket Drumming”, since last week, in preparation for the half-time show at the Coral Springs Charter School football game. The game will take place this Friday, October 23, 2015, at the Coral Glades High School football field. Your child should meet his/her teacher at the field by 7:00 PM. Teachers will have the buckets and drum sticks.

If you have received this letter, your child has returned the initial participation form. Below, you will find your immediate family’s entrance ticket to the game. Coral Springs Charter School has, generously, provided the complimentary ticket. You must have the ticket in order to enter for free.

We are excited to have our students be recognized for their musical accomplishments as part of the half-time show. We take great pride in being their teachers.

Sincerely,

Mrs. Bitton and Mrs. Schulson

Dear Teachers:

Our classes have been have been studying the importance of data collection and the making of graphs and charts to support the information we gather. We are involved in an activity called, " The Best of Coral Springs".

We are asking that each teacher take a moment to poll your class with regards to the following categories. Tally your results on this paper and place in one of our mailboxes. We appreciate your helping our students in this endeavor.

**Sincerely,
Mrs. Bitton and Mrs. Schulson**

P.S. Of course, we will share our results!
