CURRICULUM CORNER

A NOTE FROM MS. PLAKSIN

If your team creates a Standards Focus Calendar for FSA planning please let me know. I have many standards based materials that I would like to align and support your instruction.

Have you used Literature Circles in your classroom? They are exciting and incorporate cooperative learning and independent reading in your classroom. Based on adult book clubs, they spark deep comprehension and analytical thinking about a text. Groups of about three to five students read the same text.

Shout out to Ms. Lighter for always ensuring her centers are differentiated to meet the needs of all learners.

Standards Progressions

We will be taking a close look at how the ELA standards develop through each grade level and the activities and resources we can use to support them. Join us -Part 2 - January 24
