### Hey Cooper City!!!

I hope everyone has had a fantastic week. I'm certainly looking forward to getting back on Monday!! And to make it even more exciting it will be [Celebrate Literacy Week!!](#) Let's make it a GREAT one and show our kids a love for books 📖!!

Celebrate Literacy Week is a state wide celebration. All schools in Broward County have submitted activities to the state education department. Below is the list I have put together for Cooper City. These activities are fun for our students **AND** teachers.

Please select **at least one** activity from the chart below for your class. I will come around to catch some photos of classes participating in the activities. **I can't wait to see how Cooper City Celebrates Literacy!!** 😊 😊
