

**PLANTATION PARK ELEMENTARY SCHOOL
VERTICAL TEAM MEETING REPORT FORM**

Team: Science	Date: March 19, 2019
Members Present: D. Hagan, Alexander, La Castra, Fiene, Banos, Welch, D. Smith, L. Hagan	
Members Absent: Greggs, Gittelman, Robinson	
Agenda: Review the Science Strategies for the school SIP plan. Discuss STAMP night.	

--

<p>Recommendations/Suggestions/Concerns:</p> <ul style="list-style-type: none"> > The May 9th Early Release day will be for the fourth quarter Hands-On science project. > Have a quicker activity in some areas for the STAMP night next year. Some of the rooms were very full and there was a line of students waiting to complete the activities. > Have more helpers, possibly high school volunteers, to assist with students around the school for STAMP night. > Have someone in charge of the parent surveys and not have it merged with the 'T' technology part of the STAMP night. Or have more adults in that room.
