Reading challenge- Some students have a large number of minutes, teachers are including these as homework in the agenda. 1.5 million minutes are the goal for the challenge. We need to promote this challenge a little more! A photo of the actual form on the website. Agenda numbers- must have form filled out to win.

Golden Stars-69 Students in our lowest quartile received a teacher mentor to encourage them to strive. They need nurturing and positive interaction. High Fives and extra love for these kiddos. The City of Deerfield Beach Police Department donated little trinkets to give to the students. This is a celebration for those students. 45/69 were proficient this past month.

All students now have the opportunity to receive recognition.
