Croissant Park Elementary SAC minutes: 1/16/19

- **Welcome and Introduction:** Regina Steinbeck called the meeting to order at 7:30am
- **Approval of Minutes:** Ms. Laing motioned to approve minutes from previous meeting held on 11/14/18. Ms. Leville seconded the motion. Minutes were passed.
- **Old Business:**
 - Safety Concerns- A buzzer system is in progress. It is expected to be done by the end of this quarter. Ms. Steinbeck told committee that Ms. DeMeo described to the staff how the cameras work on campus. They are able to view 360 and can zoom. The videos can be accessed via computer or mobile device. One school wide issue that needs to be addressed is the intercom/speaker system and the need for more walkie- talkies. A survey done by the state found that intercom systems are an effective means of communication.
- **New Business:**
 - Bond Money available for Croissant Park- previous years Lenovo laptops were provided. The faculty is aware already. District has presented information on how bond money is spent. Bond initially- \$50,000 for music and computers.
 - Now, we are in the **2nd** phase of bond money- 'Structure of the building'. The budget projection was 3 years ago. Ms. Allison stated CPE will be getting; new roofs on every building (building 7 has water damage), AC in media center, update chiller systems, repair termite damage.
 - **3rd** phase of the bond money- '\$100,000 for CPE' SAC committee will put together a ballot and vote. All parents, staff, faculty, community members are eligible to vote. Ms. Allison reviewed a sample ballot regarding options and items. SAC committee is encouraged to bring any suggestions to the next meeting. There will be a team meeting today to go over each grade level concerns. After Ms. Allison receives each teams concerns, she can open up suggestions to neighborhood and community. Kimberly Schiller recommended doing a school wide challenge to encourage family involvement. Other suggestions to 'get the word out' included putting information out on marquee, parent link, newsletter, discuss at upcoming award ceremony (if in time frame). All suggestions will be presented to Ms. Allison and then given to our county representatives regarding the BOND dollars. A quote will then be given to determine the cost of the items that will be voted on. The SAC will review the staff suggestions at the SAC meeting (2/13/19). The school staff will be asked to prioritize the suggestions to start the ballot process. These ideas will be discussed and potentially placed on the ballot. *Reminder: needs to be a 5 year shelf life.
- **Questions/Concerns:**
- Ms. Laing motioned to adjourn. Ms. Leville seconded the motion. Meeting adjourned.
