School Compact

Parents and faculty had a discussion regarding the 2018-19 school compact and after reviewing all points they decided no changes would be made in the creation of the 2019-20 School compact. A motion was made by Mr. Hall and it was seconded by Mrs. Laing.

Review of the School and Parent Engagement Plan

Parents and teachers had a discussion after reviewing the present School and Family Engagement Plan and after reviewing and discussing, parents contributed the suggestion of seeing the addition of an ESE Parent Support Group sponsored by our ASD Coach. The meetings would take place quarterly, and parents would have the opportunity to learn how to assist their children with various disabilities. Parents were very excited with the new addition.

The other activities that are currently on the plan were discussed by parents and staff and based on the attendance of the activities where parents were interactive with their children or were able to see their children in action were very successful. Parents also stated having morning activities and some evening activities makes attendance more feasible.

Mrs. Allison agreed that it would be a beneficial addition to our plan and it was placed in the plan after a vote took place with all yays and no nays.

Review of Annual Evaluation Survey

Based on the results on the survey, parents either agreed or strongly agreed with all questions asked.

SMART Bond Money

The SMART Bond votes were presented to the SAC community. Votes comprised of parents, teachers, community members. The results were 148 votes for option 2 and 91 votes for option 1. The information will be given to the county officials. Option 2 items were marquee, blinds, custodial equipment, playground upgrades, and school furniture.

Parent Allocation of funds

Parents and staff discussed what will be purchased with Title 1 funds for next year and parents suggested to purchase school agendas, as well as continue daytime events community events. This was 100% agreed upon by parents and staff.
