McArthur High School School Advisory Forum (SAF)  
Meeting Agenda  
Monday, January 14, 2019  
Following 6:30pm SAC meeting  
Chair, Janet Bravo

- I. Open Meeting
- II. Area Update
  - Take Daughters & Sons to Work Day - Feb 1
  - Make up work subcommittee update
- III. Motions from District Advisory to School Board for advisement
  - Share Drivers Ed Info on MS and HS Websites
  - Create Policy governing Student ID's and replacements
  - Provide one (1) Health Service Worker at each school for full day
- IV. Old Business
- V. New Business
  - Input on Draft School Board Policy 2120 & 2150
- V.I Comments
- VII. Adjourn

Next McArthur SAF Meeting: Monday, Feb. 4 @ 6:30pm

NOTES:

McArthur High School Advisory Forum (SAF)

Monday, January 14, 2019

Chair, Janet Bravo

I. Open Meeting

- Meeting began at 7:38

II. Area Update

- Take Daughters & Sons to Work Day - Feb 1
  - McArthur will be designing a day that is educational and allows students to take a look inside what a teacher does on a day to day bases. Students will be provided with lunch and will be broken into three age groups. There is packets and link that must be filled out to take your child to work day to be excused.
- Make up work subcommittee update
  - Working on a proposal for no consequences for students with unexcused absences.

III. Motions from District Advisory to School Board for advisement

- Share Drivers Ed Info on MS and HS Websites
- Create Policy governing Student ID's and replacements
- Provide one (1) Health Service Worker at each school for full day

IV. Old Business

- Runcie did come to the last meeting.

V. New Business

- Input on Draft School Board Policy 2120 & 2150
  - Policy 2150 is now taking Florida statue and adopting it into School Board Policy. Creating safe corners in each classroom for students to go when there is a code red. Zero cost to the county.
  - Understanding to what to do during code red, hide, fight, or flight system. New training will be coming into place. Come down when and how to call codes. Communication piece to get the information out to all staff and students when any code is called.

V.I Comments

- No comments or concerns

VII. Adjourn

- Meeting adjourn at 7:45

Next McArthur SAF Meeting: Monday, Feb. 4 @ 6:30pm

NOTES:

### EMERGENCY CODES

Broward County Public Schools (BCPS) maintains that the prevention of and preparation for emergency situations is an essential priority to maximize the safety and security of all students, staff, and visitors at all schools and administrative sites. As such, BCPS believes reasonable life-safety efforts are the responsibility of all part-time, full-time, and temporary personnel. The District has adopted and shall continue to adopt and implement, as appropriate, a variety of safety and security measures to enhance the ability of the organization and its personnel to protect and preserve human life and property.

#### BCPS maintains:

1. All staff shall comply with all required life-safety, policies, procedures, trainings, exercises, and drill requirements for workplace safety, supervision of students, prevention and preparedness for accidents, medical emergencies, fires, natural disasters, and acts of violence.
2. All staff are required to attend all mandatory emergency code training(s) and formally document their completion of the training in or through the designated process.
3. Building administrator(s) and/or their designee(s) of every school and administrative site shall collaborate with the District's Division of Safety, Security, and Emergency Preparedness to schedule and conduct drills for active assailant and hostage situations with the frequency required by statute.
4. All staff are required to participate in emergency code training(s) each year to familiarize themselves with the various emergency codes within BCPS, and more importantly, to know how to properly prepare and respond in each emergency situation.
5. Building administrator(s) and/or their designee(s) of every school and administrative site shall utilize Broward County Schools Lockdown/Evacuation Report via the Gateway reporting system to record the completion of all actual lockdowns and emergency code trainings, to include lessons learned and areas for improvement to be implemented at the site or recommended for consideration across the school district.
6. Any staff member may initiate a Code Red Lockdown on a school campus should they see, hear, or smell anything that immediately impacts the safety and security of the staff, students, or visitors on campus.

AUTHORITY: 1001.41, Fla. Stat.  
HISTORY:

Adopted: 12/4/2018.

### SAFER SPACES

In an effort to reduce the risk of harm to students, staff and visitors, this policy mandates all schools to establish and maintain the availability of Safer Spaces in District classrooms and other locations where students, staff and visitors receive instruction. The designation of these Safer Spaces is intended to reduce the likelihood that students or staff will be harmed in an act of violence. For purposes of this policy, a Safer Space is a designated general location in the room or instructional area where students and staff can more effectively position themselves in a manner where they are not visible from a hallway or outside door or window. Safer Spaces are NOT intended to suggest a specific level of security or absolute safety of students, staff and visitors in all emergency situations and are closely associated with the construction of the building. Additionally, Safer Spaces are NOT intended to convey specific levels of ballistic or blast protection. With the great variation of classrooms and other instructional areas with more than one door and/or window, the Safer Spaces may be a different location in the classroom or area due to the location of the perceived location of the threat(s).

1. The Superintendent or designee shall develop and communicate general guidelines for the identification and marking of Safer Spaces for District schools. The Chief Safety, Security and Emergency Preparedness Officer will regularly evaluate and update the District's guidelines for the identification of and designation of Safer Spaces on an annual basis. These guidelines could include sample diagrams, additional written instructions, videos or web courses based on the expertise of the Chief Safety, Security and Emergency Preparedness Officer.
2. The Principal of every school shall work with the appropriate individuals to identify Safer Spaces in each classroom or instructional area for use by students, employees and visitors as shelter areas in the event of an emergency lockdown (also referred to as a Code Red Lockdown). These individuals may include the School Resource Officers (SRO) and other first responders as available and members of the school's SAFE Team.
3. Once identified, the Safer Spaces will be marked with standardized visual designators as specified by the District based on highest likelihood of a threat.
4. In a similar manner required by fire code for emergency egress routes, employees will be required to keep Safer Spaces clear of items and objects that could interfere with their use as shelter spaces in an emergency. Cabinets, bookshelves and other permanently installed items may enhance protection from the hallway and/or consume a portion of the Safer Space which requires evaluation of the costs and benefits.

5. This policy serves as a general guideline for an approach focused to reduce the risk of harm in an act of violence outside of the classroom or area. Nothing in this policy will be interpreted as requiring employees, students or visitors to use the designated Safer Spaces if what they see or hear during an emergency indicates that it would be less safe to follow this policy.
6. The Principal and or their designee will regularly conduct and document periodic spot checks of Safer Spaces to ensure the spaces are free of items and objects that could block these areas. These inspections should be conducted during lockdown drills and documented as part of the drill documentation process. When possible, the SRO shall be included in the process. If these inspections of the Safer Spaces are not clear of debris or moveable obstructions, in accordance with this policy, the Principal shall take appropriate corrective action.
7. In addition to the efforts of each school Principal or designee to demonstrate the importance of and to measure compliance with this policy, the Chief Safety, Security and Emergency Preparedness Officer will establish and maintain a separate compliance approach where security supervisors and/or members of the Office of Safety, Security and Emergency Preparedness will be tasked to conduct inspections and to document compliance at District schools. The results of these inspections will be provided to and maintained by the Chief Safety, Security and Emergency Preparedness Officer or their designee. These inspections shall be conducted in a manner that does not interfere with instruction or testing. If the Chief Safety, Security and Emergency Preparedness Officer or their designee becomes aware of employees who have not kept the Safer Space clear of debris, they shall notify the Principal to take appropriate corrective action.
