  - Reading 9<sup>th</sup> & 10<sup>th</sup>** --- Critical Thinking continues to emphasize skill sets and ELA continues to emphasize writing through literature and informational text. 9th and 10th grade ELA and Critical Thinking classes are continuing to work together to form a cohesive team. Through ELA students have been given two writing common formative assessments as well as two standards based common formative assessments, which included the standards being from cycle 2 and cycle 3. These assessments involved the standards from the Craft & Structure and Integration of Knowledge domains through our CARE plan and IFC.

**11<sup>th</sup> and 12<sup>th</sup>** --- We have had a strong push to have all retake seniors registered for the December SAT test. Curriculum is focused on test prep strategies in anticipation of this test using topical articles in their reading classes. English classes are focused on SAT grammar in hopes of raising the EBRW (Evidence Based Reading and Writing) scores. Concordant score is 430. Regular Senior classes are working on "Hamlet" along with grammar and are starting a research paper on careers, including what post-secondary education is required, job availability, and salary range.

11th grade is working on foundational documents including the Declaration of Independence and the Constitution - very timely. They will be continuing with American literature. 11th grade retake students are also working on test prep strategies.

Common assessments will be given this week.

**Social Studies:** continuing to work on the curriculum calendar. We are prepping for the Benchmark Assessments coming up in January. We are utilizing USA test prep as a tool for both US history and Visions & Pursuit classes. AP teachers are asking that if parents can afford to get review books over the winter break, it would greatly assist students as they review in April. Please note that this is not a requirement. Review books are available on Amazon or Barnes & Noble for their respective classes.

**Math:** We are continuing to make adjustments in our math classes. Although we've had shifts, we are able to continue working hard. Algebra I is now ending the Unit 2 and will start Unit 3 next week. Geometry has had a few hiccups due to testing, but we should be able to get back on track starting next week.

#### **TESTING:**

Below is the data for PSAT testing from October that has been completed to this point.

Test Percentage Tested Number Tested Students on Verified List

PSAT 8/9 95.87 442 /461

PSAT\* 93.33 532/ 570

PSAT 8/9 (after make-ups) 98.69 455 /461

\*Students on verified list include some 11th graders.

PSAT 8/9 was able to have a make-up date in which we added 13 additional test takes to the number tested. That is why we have two sets of numbers. The PSAT does not have a make-up

Scott Jarvis update on attending the very large district conference. See what they are doing with social and emotional learning; able to talk with other large districts and see how far ahead Broward County is. He also attended an accreditation visit in Duval County. An opportunity what they are doing in their schools and what their challenges are. Also shared what schools do in observance of Veterans Day.

Donna Boruch – provided 2017/2018 Strategic Plan Annual Outcomes Report (full report can be found at <https://www.browardschools.com/sim>) includes status of every department. School Improvement training will be held the second week in December, 3 days of training and provided Innovation zone meeting schedule.

New members introduced themselves.

**Dr. Leo Nesmith – Director, District Administrative Services – Safety & Security Update** - send report to Area Chairs. September a parent night was conducted with Safe Haven inviting area advisory parents. Safe Haven did a comprehensive assessment of each of the schools during the summer. Phase 1. Then Michael Dorn gave the board a report. One of the recommendations was not to utilize hand held metal detectors. (See the August 14<sup>th</sup>, 2018 SB workshop). Prioritized what needed to be done first. Phase 2 was the operational side with students and staff in the building. Traffic patterns, customers flow into campus, buses, physical structure again occupied, feel of students for safety & security; held discussions with analyst and focus groups, along with an online survey, 60,000 student responses. Final report will be given next week, 15 to 20 thousand pages. 5-6 pages per school with recommendations and pictures. A protocol of sharing the information will have to be set up as to what information can be released from the report. Schedule a parent night on November 27<sup>th</sup>, place to be determined, to give an overview of phase 2. District plans to extend Safe Haven contract. Board has committed over \$30 million for security enhancements over a period. \$6.2 million committed to go to phase 2 video surveillance with digital cameras. \$4.5 million for additional radios and repeaters. 15 – 17 million to upgrade intercom system. Update to state-of-the-art equipment. 3.2 million to create a new division. Created the Chief - Safety, Security and Emergency Preparedness position. This position is responsible for planning, directing, coordinating, evaluating, and effectively communicating activities relating to the protection, safeguarding, security and emergency preparedness of Broward County Public Schools' students, employees and properties.

SIU had to pick up safety responsibilities. SRO's are provided through municipalities and BSO. Graduated 4<sup>th</sup> cohort of the Guardian program. Guardians have a yellow shirt and gun. They do not have arrest authority.

**Ed Hineline, Director, Business Applications– School Website Update** – Guest wireless is being pushed out this weekend. Subcommittee update – Green completed and yellow in the works, the spreadsheet now includes a date. Email addresses were removed due to security issues and phishing scams. Process being put in place is to click on a name and a window will pop up. It will include First name and last name, phone #, email address comment. Parents suggested having the ability to keep a paper trail and the ability to email multiple personnel. Once the person responds

the thread is then started. To be live December 18, 2018. Different filtering will be added at a later date. Recommend to add an automatic cc to the sender.

A quick links has been added which will be controlled by the district. This section will include direct access to information i.e. "211 Suicide prevention - Dial 211". Resource links with simple infographics. Include Mental Health link. And Policy 6000.1. Responsive design is designed to view on a cell phone and tablet. Added District Advisories and committees. Each advisory can have a page and manage the content. Give access to manage information. Contacts, quick links can be added, meetings.

There were some issues with the company that provides Canvas with single sign on. An item went to the board for a new single sign on provider today.

**Motion 1** Jeff Gold, seconded by Melina Marks

***To create a sheet defining terminology. Whereas Parent surveys are an important part of the SIP and process, motion to make the surveys' more parent friendly. Revisit any language with specific terms that would not be understood by most parents. Amendment. 28 yea 2 nay***

There is a way in the new Advanced Ed provided E-Proof to develop a district's own survey.

Motion to extend 15 minutes Jeff Gold, Second Beverly.

**Motion 2** Jeff Gold, seconded by Beverly

***Whereas Broward County voters approved a levy of ad-valorem taxes for teacher and school related (non-administrative) staff compensation, security, and essential programs in a referendum on August 28, 2018; And the Broward County School Board approved on June 26, 2018:***

***Intended Allocation of Funds Generated by the August 28, 2018 Referendum***

***The School Board intends to allocate: (1) 72 percent or more of all available funds for compensation of teachers and school related (non-administrative) staff (including bus drivers, assistants, and food service workers); (2) up to 20 percent for security (school resource officers and security staff); (3) up to 8 percent for essential programs in our schools, such as additional guidance counselors, social workers, and behavioral staff. All compensation will be subject to collective bargaining. The public will have an opportunity to comment on dispersal of funds generated prior to distribution***

***Motion to use the funds to provide a minimum of at least 1 nurse health service worker during the entire school day in each of the schools managed by BCPS.***

**Amendment 1: to change nurse to health service worker:**

**Amendment 2: to eliminate "to use the funds" was removed**

**Motion to table made by Janet, seconded by Heather – vote was unanimous to table**

**Homework/Makeup Policy Sub Committee – Update**

Make up whether it is excused or unexcused. Accurately recording attendance. Academic consequence for non-academic behavior. Bring make up homework to 6000.1 committee. Preassigned homework and homework pre-assigned through the syllabus. Assignments must be submitted homework by 11:59 pm regardless whether the student has internet access.

Go back to the areas to review the submittal of homework.

Advised members that Vice Chair shared the motion with the School Board on placing the homework policy on each school's website.
