Tedder Elementary SAC Meeting May 21, 2019

Annual Evaluation Results- Review Parent and Family Engagement Plan-

Review of survey results

Section 1- Highest response sending info about testing

Section 2- Materials/How to help your child 85% of parents responded

Section 3- Collaboration with the school- 100% the school values them

Section 4- Open communication- 93% agree

Section 5- School open to parental involvement- 71%

Any ideas on getting more involvement: Ms. Jones asked for parent input- Parents like the weekly announcement parent links that they get every week. No additional input.

Things we have done:

SAC nights- Total all year 200

Literacy/Curriculum Night

Parent/Teacher Conference Nights

Review School Parent Compact 2019-2020- Goal 75% or more

Agreement between school and parents/students

Receive in first day packet

School Responsibilities: No changes

Parent Responsibilities: No changes

Student Responsibilities: Add to be kind or use kind words- Parent agreed about that because kids get bullied.

Parent Input- Make the compact nice and bright so that others understand the importance. This group of parents didn't realize the importance of this document. With additional comments from the parents, Ms. Jones asked if we should add a piece in the compact about parents communication with the school in cases of bullying.

Principal's Corner-

Discussed BAS and homework issues

I-Ready updates: Tells us where your child is.

School's I-Ready scores increased drastically.

Green- 28-49

Yellow- 48-34

Red- 24-17

Any questions:

A parent had a question about the using kind words to the compact, more specifically about how bullying is handled when there is a sub.

Reminder that not every kid is going to tell an adult, so if parents are concerned, they need to come to an adult (Ex: support staff, admin, etc...)

Discussed Facebook page and some of the highlights ie, glow party, career day, field trips.

Dual Language- K-2

Number one language is creole. Second is Spanish.

2019-2020- Do we still want the dual language Spanish program?

Parent said they would like their child to focus on English- "learning another language is too much."

We don't have enough parents and SAC members to vote on changing the program. Therefore, we will discuss at our first SAC Meeting.

Wrap up:

If you do not know your child's BAS level and I-ready levels ask!

Reminder of 5th grade moving up
