SAC Minutes

11/27/2018

Meeting was called to order at 5pm.

Minutes from last month's meeting were approved.

SMART BOND—Charter Project

Representatives from Smart Bond spoke about the Smart Bond phases. The project charter meeting was held. Safety and Security projects (building envelope, HVAC improvements, Athletic improvements, fire sprinklers and fire alarm) and single point of entry, and school choice enhancements are prioritized. Timeline of phases were discussed. We are moving toward School Board approval. We are looking at roughly 15 months from beginning to end of construction. The current project is 76% percent complete at this time. 4 out of 5 school enhancement programs (teacher benches, teacher chairs, media center furniture, and playground equipment) are complete. The digital marquee is pending.

Principal Update

They are currently in the process of putting on the digital marquee and project should be nearing completion at the beginning of 2019. Mrs. Beavers long term goal is to provide one-on-one technology for the primary grades. K-5 students will be taking the Diagnostic 2 assessment in the upcoming weeks. We are also looking for volunteers. If you are interested, please go online and fill out the volunteer information.
