## School Advisory Council Minutes

February 28, 2019

\*Tuesdays and Thursdays is ELL camp from 2-3pm. Saturdays are camps for any 3<sup>rd</sup>, 4<sup>th</sup>, 5<sup>th</sup> grader. All are invited. ASP camp is Monday through Thursday. There are different materials being used for the different camps.

\*Gutierrez said the parent surveys were already completed. These surveys were completed on the computer. Most things were favorable. Next meeting she will give details about the results. If you want to see the results, see Gutierrez.

\*Ms. Gutierrez gave us an update on ACCESS testing. She explained the levels of ESOL and how students progress from level to level.

\*Deputy has a mentorship group every Thursday with students in grades 3-5. There are approximately 16 students. The topics include respect, peer pressure, and self-control.

\*Principal Whaley reported on BSA. It's a practice test in ELA, Math, and Science. He gave an update on the results. This is crunch time, so students need to focus on their weaknesses.

\*Mr. Millar discussed equity throughout the school. The importance and role of an equity liaison was explained. Data and facts were shared.
