Title I Annual Parent Meeting

Broadview Elementary School
Principal Dr. Josh Kisten
Assistant Principal Rocio Morell

1

What is "No Child Left Behind"?

Education act signed into law in 2002 that aims to:

- Ensure that every student has a high-quality education
- Challenge and motivate students
- Provide highly qualified teachers, who use proven teaching methods
- Ensure a safe, drug free learning environment

2

So Broadview is a Title 1 school; what is Title I anyways?

- Title I is the largest federal assistance program for our nation's schools designed to increase academic achievement
- The goal of Title I is a higher quality of education for every child.
- The Dept. of Education distributes Title 1 funds to schools based on the number of low-income students (those eligible for free/reduced lunch) and then those who have an academic need

3

How Title I Works

- The federal government provides funding to states, then the state (Fl. Dept. of Education) sends them to the district which disperses them to the eligible schools
- Broadview creates and implements a School Wide program. Funds can be used to upgrade the educational program in ways that may impact every student in the school

4

Parent's Rights

- Be involved and request regular meetings to expression your opinions, concerns and questions
- Be provided information on your child's level of achievement on assessments in reading/language arts, mathematics, and science;
- Request and receive information on the qualifications of your child's teacher
- Be informed if your child is taught by a non-highly qualified teacher for four or more consecutive weeks.

5

School Accountability Report Card

- **School Public Accountability Report (SPAR)** provides parents and the community with important information about each public school
 - Demographic data;
 - School safety and climate for learning information;
 - Academic data;
 - Class sizes;
 - Teacher and staff information;
 - Curriculum and instruction descriptions;
 - AYP information.
- Available at the school office or online at
 - <http://doeweb-prd.doe.state.fl.us/eds/nclbpar/index.cfm>

6

Educational Standards

- Florida's academic content standards establish high expectations for all students.
- Florida Standards identify what your child needs to know and be able to do in all content areas.
- Information located at:
<http://www.floridastandards.org/Standards/FLStandardSearch.aspx>

7

Title I funds

- Broadview Elementary is provided \$328,460 to pay for services and programs for our students.
- Title I funds pay for the following:
 - \$300,104 for teacher/teacher assistants salaries
 - \$300 for National Urban League Conference for Principal or Assistant Principal
 - \$11,656 FSA Aligned Instructional Materials
 - \$3,480 ASCD Conference
 - \$1,000 Afterschool Clubs

- Additional teachers, paraprofessionals and other support (Reading Interventionist);
- Additional training for school staff;
- Extra time for instruction (Before and/or after school programs);
- Parental Involvement Activities;
- A variety of supplemental teaching methods and materials.

9

Who decides how funds are used?

- Every school has a School Advisory Council (SAC) composed of:
 - Parents, Teachers, Other staff that works at the school, and the Principal
- The School Advisory Council along with Mr. Lee determine how to use Accountability Funds.

10

Working together!

- Title I law requires that all Title I schools and families work together.
- How we work together is listed in our:
 - School Level Parental Involvement Plan;
 - School-Parent Compact; and
 - Title I Plan (School Improvement Plan).
