Principal Updates:

Mr. Lehrhaupt shared the following information:

- *Family Fun Day- We had a nice crowd, thank to PTA and the teachers and staff. Excellent community event. Fun was had by all.
- *We had a monthly code red drill today and the faculty, staff, and students did well. Officer Frank spoke to many faculty/staff members prior to discuss safety options.
- *Teachers are getting ready for FSA Testing.

Title One:

- *Title One Survey: 215 went home and we only received 51 back. We need 60% or more back. We are looking for any ideas to get them back. This survey provides resources for us.
- *Surveys-Look for surveys they are coming home.
- *ESSA FLDOE (Every Student Succeeds Act)-A spreadsheet that talks about baseline data. FSA proficiency rate looking at subgroups. McNab last year had 0 subgroups. **Starts next year**
- *Advanced Ed Survey-March 4th-April 9th online only. Need 20% done/60% of the students.

Open Forum:

- *Next meeting choosing three representatives who will gather information about who would like to be on SAC. Voting members to keep it fair.
- *SAF/SAC Meeting Combined. We need two of them to be combined now. In the past we only needed one.
- *District Advisory has been rescheduled. Stay tuned for that information.
