Principal Updates:
Mrs. Palacio stated we are down to the countdown. It is that time of year to fine tune. We had a Cadre visit yesterday and had lots of positive things to say.
 Looking Ahead:
* Bingo Night which the PTA worked very hard.
*Career Day Friday which Mrs. Ryan is working hard to complete schedule and we are very excited to see all the great things.
*Pompano Zone Meeting Thursday/Show casing Debate
*Eight New Cameras completely covering the school.

Title One:
Mrs. Rohloff spoke about the School Wide Behavior Plan. She referred us to pages 4 and 5 to highlight plans, rewards, and consequences. Faculty will vote on it this week.
May meeting we will go over the plan. Looking for people to join the committee. Coach Giorgis raised his hand to be the Teacher Representative, Parent we are still looking for, and Community Ms. Courtney needs to check with her boss.

Open Forum:
*Ms. Ammons/Equity Liaison spoke about the Equity Parade. She mentioned we are to provide equity in our culture, and it is a state mandate 10.3. Teachers need to include it in their lesson plans

and were given access to free books on diversity. She also displayed the Social Studies Curriculum and other materials for the meeting to peruse. We are looking forward to the equity parade on May 9th which the students will be making a flag to represent their culture and may wear clothing to represent their heritage on that day. The purpose is to have everyone feel welcome. Ms. McHugh mentioned Sonia Sotomayor came and spoke to the first and second grade students and the students really enjoyed it. Ms. Ammons asked if in the future PTA can provide more funds for our school library to purchase more titles for this cause.

*Ms. McHugh asked about Accountability Funds. Mrs. Palacio said we have approx. $8100. Mrs. Palacio stated the district is looking for ways to come together to spend the money. There is a survey to gather information on what to use it for and what grade levels. Ms. McHugh would like every child to have their own BAS kit and Mrs. Rohloff agreed. Mrs. Martin asked if we could come up with solutions to get materials in a timelier fashion. Mrs. Palacio explained the reasons why she waits on the district…if they provide it then we will not have to spend the funds on something they are mandating. Mrs. Rohloff also explained we will look at data to see where to allocate certain funds.

SAC/SAF Joint Meeting
Louanne spoke about the budget for next year and they haven't voted on it yet.
*Florida Education Finance Program
*District Wide Policy-students get 3 badges
*Parent Survey Link is out
*Common Core in rollback phase
*Portal Tool to collect input on Florida Standards
