highest Scoring Items

D4: Our school's leaders expect staff members to hold all students to high academic standards.

G7: Our school leaders monitor data related to school continuous improvement goals.

C5: Our school has a continuous improvement process based on data, goals, actions, and measures for growth.

G3: Our school has a systematic process for collecting, analyzing, and using data.

G5: Our school uses data to monitor student readiness and success at the next level.

G6: Our school leaders monitor data related to student achievement.
Lowest Scoring Items

**F3:** Our school provides sufficient material resources to meet student needs. 3.81

**F6:** Our school provides a plan for the acquisition and support of technology to support student learning. 3.86

**F8:** Our school provides high quality student support services (e.g., counseling, referrals, educational, and career planning). 3.86

**F11:** Our school maintains facilities that contribute to a safe environment. 3.86

**F7:** Our school provides a plan for the acquisition and support of technology to support the school's operational needs. 3.88

</table>
7. All teachers in our school use multiple types of assessments to modify instruction and to revise the curriculum.

8. All teachers in our school use consistent common grading and reporting policies across grade levels and courses based on clearly defined criteria.

9. All teachers in our school participate in collaborative learning communities that meet both informally and formally across grade levels and content areas.

10. All teachers in our school have been trained to implement a formal process that promotes discussion about student learning (e.g., action research, examination of student work, reflection, study teams, and peer coaching).

11. In our school, challenging curriculum and learning experiences provide equity for all students in the development of learning, thinking, and life skills.

12. In our school, related learning support services are provided for all students based on their needs.

13. In our school, a formal structure exists so that each student is well known by at least one adult advocate in the school who supports that student’s educational experience.

14. In our school, all staff members use student data to address the unique learning needs of all students.

15. In our school, staff members provide peer coaching to teachers.

16. In our school, a formal process is in place to support new staff members in their professional practice.
17. In our school, all staff members participate in continuous professional learning based on identified needs of the school.

18. In our school, a professional learning program is designed to build capacity among all professional and support staff members.

19. In our school, all school personnel regularly engage families in their children's learning progress.

20. In our school, all stakeholders are informed of policies, processes, and procedures related to grading and reporting.
