

11/7/18

SAF Minutes

Welcome & Introductions

By Laws: Approved

### **A+ monies**

Discussed last year's process and options. Ms. Barba indicated that we were not given enough time to process the options. A discussion about a more equitable distribution ensued. Andie proposed 50% to the high school teachers and staff and 50% to all college and high school staff. The group liked the idea, but Susan proposed a 60/40 instead. Team unanimously agreed to the following proposal and Susan volunteered to email it to Lynn Goldman:

60% of the A+ funds to be equally distributed to all 2017-2018 high school full time faculty and staff. 40% of the A+ funds to be equally distributed to all 2017-2018 full time contracted Sheridan Tech College staff and high school faculty and staff.

### **Rationale:**

- 1) The 289 9th and 10th grade students earn the school grade and are ONLY in contact with high school staff.
- 2) With all of Sheridan campuses, all faculty and staff getting a piece of the 40% will be almost the same amount as last year. The 60% to the high school is rewarding those that did the job of earning the A.
- 3) High school staff works with students 4 times longer than college teachers.

college: 221 students, 180 days x 2.5 hours/day=450 hours x 2 years = 900 hours  
high school: 510 students, 180 days x 6 hours/day=1080 hours x 4 years = 4320

### **Agenda Items for SAC**

Updates from the high school, the Wolf Coin program for promoting good character, and each class president will update about events and fundraisers.

### **Open House**

Open House will be Dec. 11<sup>th</sup> 6:00-8:00 p.m. Discussed last year's success and new ideas for this year. For the past 3 years, the culinary arts department did a banana foster demonstration and parents enjoyed it and getting to eat it. This year neither chef can make it. Susan and Nicole discussed the possibility of having stations in the cafeteria to showcase the CDE programs. The nursing students can take blood pressure; the cosmetology students can braid or give skin consultation; the culinary can bake something earlier in the day and pass out samples, etc. The group liked the idea.

Next meeting: Dec. 5<sup>th</sup> - 7:00 a.m.
