General Meeting Minutes
December 11, 2018 – 8:00 am

Welcome/ Role Call to Establish Quorum:

Mr. Duverneau welcomed all SAC members to our last meeting for 2018.

Approval of Minutes:

Mr. Duverneau read the minutes and they were approved by Ms. Edwards and second by Mr. Lopez.

Principal Updates:

Mr. Gibson welcomed everyone to the SAC meeting. Mr. Gibson informed the members of the SAC committee that BSA (Broward Standard Assessment) testing will start after winter break:

- Science 5th grade- January 9th & 10th, 2019
- ELA 3rd thru 5th grade- January 14th & 15th, 2019
- Math 3rd thru 5th grade- January 16th & 17th, 2019

Mr. Gibson stated academically the school appears to be on the right track. Iready Growth Monitoring Assessments are completed monthly for 2nd through 5th grade. Mr. Gibson also stressed the importance of our 3rd graders passing the FSA and how teachers are working energetically in preparing the students for the upcoming FSA testing, which is scheduled to take place from April to May of 2019.

Mr. Gibson stated that he would like for our 3rd grade students to replicate the total of proficiency level they did last school year and even better in both subjects reading and math. Based on multiple assessments administered so far, they are moving towards achieving this goal. Beginning in January, the 3rd grade teachers will start full force tutoring with 3rd grade to get them where they need to be.

Mr. Gibson stated that support will be aligned based on BSA testing data. If a grade level or a class shows weaknesses in BSA results, that is where extra help will be allocated.

School-wide winter break packets will be going home with each student over the winter break. Students need to return them on the first day of school after Winter break and teachers will collect and grade them.

Title I Annual Parent Survey:

Mrs. Harris informed the SAC committee that the Annual Title I Surveys were sent home with each student in different languages; English, Spanish, Portuguese and Creole. Mrs. Harris stressed the importance of parents completing their survey. Research indicates that students do better socially and academically in school when parents are involved in their child's education. The survey window is now open from December 3, 2018 to January 18, 2019.

School Improvement Plan:

Mr. Duverneau stated that Administration, Teachers, Literacy and Math Coaches along with the SAC committee will continue to monitor and make changes in the SIP when necessary to make sure all materials and resources are research based and aligned with FSA standards. We will continuously review the SIP data.
