We are doing a Food Drive and Toys for Tots. Students are being asked to bring in canned/boxed food as well as an unwrapped gift.

We were able to recognize our Veterans the past week at a school and at a ceremony at the city event. We had our specials classes decorate bags and write letters to Veterans. Our Student Council filled the bags with the letters and patriotic goodies. We then brought them to the City of Margate Veteran's Day Ceremony on Sunday. The Veterans were grateful for the bags and look forward to then every year. We also hosted a lunch here on Friday. Parents and grandparents came to eat lunch with their children on the stage of the cafeteria. On Tuesday, we had a Veteran come read to the Reading Pal children. Every child in 1<sup>st</sup> grade received a book from the United Way, "Veterans, Our Heroes".

**Suite 360-** Mrs. Mills shared with the committee the program we have purchased as a school with Title 1 funds. This program is called Suite 360. This program will help us address the Social and Emotional Standards. Students in Grade 3-5 will each have access to the modules on their own computer. 2 modules will be assigned each month for the children to go through and have discussions with their teacher. In Kindergarten- 2<sup>nd</sup> grade, the modules will be teacher directed and shown to the whole class. We have also purchased the Parent component. Parents will have access to the program through [www.margate360.org](http://www.margate360.org). The password is margate. We had a parent sign in and saw what content she has access to for this month. It was how to help your child make friends. It is also available in the app store.
