 Finishing up our SEED project

3rd grade:

Third grade is working really hard on keystones Right now. We are also focusing our Instruction on the results of our last iReady Diagnostic exam and are using our instructional Focus calendars to cover the remaining Standards before the FSA. We are also Infusing our science and social studies through The keystones and other literary formats Such as Storyworks.

4th grade:

In math, concentrating on geometry, measuring and comparing angles

In writing, opinion/informational using the rubrik the state uses. In science, the life cycles of Florida plants and animals.

In reading, focusing on literary elements, Black history

5th grade:

We are currently working on the science BSA and are preparing for the FSA writing test.

In math we are working on multiplying and Dividing fractions. In science we are working on animal and plant adaptions. And in ELA

We are learning how visual elements and how Multimedia helps a reader understand A story.

- **School Choice Enhancement Program**

- Each school received \$100,000 as a part of the SMART Bond to spend on improvements that will have a lasting impact on our school. Some schools spend the funds on technology while others spend the funds on facility improvements. It is our year to create the ballot with the choices we consider the best. We will generate ideas as a school team. Those ideas will then come to SAC to be finalized. We will begin the process of generating ideas at next month's meeting with the hope of voting and selecting our enhancement options by the close of the school year.

- **Principal's Update**

- 171 students completed lessons in iReady challenge. Prizes given today (donuts, iReady pencil & dairy queen free ice cream)
- Our data sources indicate a positive trend so I provided the time for teachers to collaborate
- Teacher planning day - Instructional focus calendar updated
- Collaborative Lesson planning to meet needs of all students through small group instruction. Teachers leverage expertise on their teams to plan differentiated lessons for all students.
- Lots of upcoming PTA Activities. Please purchase the yearbook and yearbook ads. Please join us for the 2nd Annual Valentine's Dance on February 13th. PTA is also planning a Talent Show in April. Please continue to support all PTA events & sign up to volunteer.
