

Sheridan Park Elementary
“Charting A Course to Success”
Title One School
School Advisory Council
Wednesday May 29, 2019
DRAFT

1. **Opening:** at 7:40 am

Attendance: Mrs. Abello, Mrs. Prescott, Ms. Bowers, Mrs. Carro, Mrs. Gomez, Mrs. Gray, Ms. Hudge, Mrs. Linares-Colon, and Mrs. Ruiz.

- a. **Approval of minutes:** A motion made to approve the minutes with corrections to be made on the wording and dollar amounts of the ballot. Motion made by Mrs. Cray and seconded by Mrs. Ruiz.

2. **New Business**

a. **Nominations of officers-** SAC chair and secretary According to the bi-laws we had elected to nominate and vote for a SAC chair and secretary on an annual basis. However, as of right now we did not have enough names brought forward to nominate. Mrs. Abello will bring this back to the SAC committee in August at which time we will seek nominations again for the above positions. She reminded everyone to spread the word about SAC membership and board members.

b. **Results of Ballots-** Collection of the ballots will continue until the end of the day today. Results of the voting will be shared with the SAC committee members once the count is complete.

3. **Principal Update-** Mrs. Carro shared the following: a. Title I- we met our 100% compliance with all required documentations. She thanked everyone involved in getting that in, especially Mrs. Butcher. b. 3rd grade ELA reading scores came in and as a school we showed an increase of 3%. Other grades and subject scores are still forthcoming and probably not until after school ends for the Summer. c. STEAM night is tonight. Please come out and support our students.

4. **Questions/Comments:** Mrs. Prescott recognized the SAC committee for their volunteerism with a goody bag. Mrs. Gomez (and other) discussed ways to attract more SAC members. Ideas were: SAC having a welcome/information table at orientation and/or open house in August. Continue to send home information via newsletters. Also a question was asked about how/when the funds would be disbursed and the work started per the School Choice Enhancement Program funds. Mrs. Carro stated that as soon as the ballots were counted and we knew the outcome, that she then could get the information out to the required departments. It would depend on the different departments and their schedules.

5. **Closing:** Mrs. Abello thanked the SAC members for their dedication to SAC, the school and our students. Motion made by Mrs. Gomez to end the meeting at 7:57 AM. Mrs. Carro seconded.

The meeting was closed at 7:57.
