Communication –Facebook Plantation High PTSO or pto4phs@gmail.com or @pto4phs

Plantation PTSO knows open, on-going, consistent communication is important to promote cohesiveness within the school environment. PTSO is willing to share all news on our social media outlets that is pertinent to the school, staff, community, parents, in which Plantation High is celebrated, has events going on at the school or in the community, or any appropriate information that can benefit in some way. If PTSO does not share it, it is because we don't know about it.

PTSO Meeting Minutes
Tuesday, December 4, 2018**

Meeting called to order at 5:48pm

Minutes approved

All 23 pizzas were not purchased for the harvest drive, only 10 were bought--not sure how many pizzas were purchased total

There's an issue at the concession stand--the bank returned the money because there were 2 counterfeit \$10 passed to purchased food.

The PTSO balance is low--around \$4000. There are concerns because the primary source of funding, the concessions at football, have stopped since the football season has concluded.

Celebrating success--the PTSO is always looking to celebrate the successes of Plantation High School. The social studies department was awarded a \$10,000 grant.

Staff appreciation week is approaching--we will be in need of volunteers for staff appreciation.

There is a concern about the PTSO meeting turnout getting smaller and smaller--any suggestions about how to improve turnout is welcome, bring a friend to next meeting.

Opal Ferron announced that Literacy Night is Thursday, January 31st. The theme is "Spreading Literacy, One View at a Time". Ms. Ferron is hoping that PTSO can provide pizza for the event.

MTL is having their induction ceremony tomorrow, December 5th, at 5pm. Ceremony actually begins at 6pm (by invitation only).

Preston Charleston's mom came to PTSO for the first time.

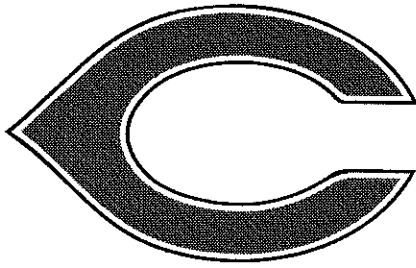

Ms. Moreno--don't get discouraged by the turnout. Turnout typically declines near the holidays. The teachers really appreciate what PTSO is doing and are looking for the holiday luncheon.

Ms. Ferron--have we ever considered holding the meetings at a different venue (outside of school). Like a community center, church, etc.

Ms. Cadigan--really appreciates the staff involvement; unfortunately, the parental involvement is very low.

Ms. Bristol--the November meeting was moved because of Election Day and December is typically low attendance, so don't get down so much about low attendance at SAC.

Meeting adjourned at 6:15pm.

**Requesting Plantation High School PTSO Drone Batteries to Donate to
Plantation Rocket Booster**

Date: 1/8/2019

From: Plantation Aerospace Program

Re: Requesting PHS PTSO purchases; drone batteries for the multitude of students who are taking Career Technical Education Pathway classes at PHS, specified for Drone Certifications.

Requested by: Plantation Aerospace

Total Number of Batteries: 5 for \$300 Total – PHS has 8 Drones total, batteries last approx. 15 mins each

Cost of each Shirt: 2 types of batteries each have a different cost, each are needed. see pictures below.

Total Amount Requested: \$300

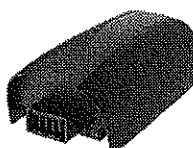

Reason being requested/Benefits of Request:

Plantation High School offers a multitude of Career Technical Certification (CTE) Classes, within some of these classes are segments, that can lead to industry certifications for the students at Plantation High. One of the Career Technical Certification (CTE) Classes that results in certification is Drone. The Drone training is considered to be part of a career pathway. The State, Broward County School Board and PHS are enforcing policies for students to follow a career pathway starting in 9th grade and staying with that pathway through 12th grade. This school year currently is the 3rd year this particular certification is being offered at PHS.

Benefits received by PHS PTSO by approving and acting on this donation request. PHS PTSO would continue to receive back the following from the parents of students in CTE pathways, even if PTSO states no to fulfilling this request, the parents and students will continue to volunteer their time to PHS PTSO events that benefit all at PHS):

The on-going constant support from parents and students that take CTE Classes. For the past two consecutive years it has been parents and students from the PHS Aerospace program (CTE) who have been in the majority volunteering their time back to PHS, community, and peers. They continue to be present to serve staff at the back to school breakfast and holiday lunches. It has also been a majority of the parents and students from the Aerospace Program who have donated at least half of the desserts/sweets at each event. The CTE parents and students show up to the back to school events, work with the community to promote STEM learning, most join PHS PTSO, and many of the CTE programs, students, and staff bring a lot of publicity through their achievements that can be used as marketing to PHS.

Thank you for your time and consideration of this request. The person who would take ownership of the donated items requested would be Mr. Vallone. The donation must be the items not money. School can not purchase from Amazon, purchase will have to be made directly by PTSO. Amazon is the only distributor of these specific batteries. Thank you!
