**Call to Order:**

A meeting of the Boyd H. Anderson High School Advisory Council was held in Room 161 on February 19, 2019. Madame Chair Melissa Yezdimir called the meeting to order at 5:35pm. Aaron Valle recorded minutes for this meeting.

**Minutes:**

5:35pm Ms. Yezdimir asked for the standing for the pledge.

5:36pm Ms. Yezdimir introduced SAC Members.

5:59pm Nomination of Officers

Voted to move item until March Meeting. Passed unanimously.

6:07pm Adopt meeting Minutes for January 2019 meeting.

Two Changes Made

Meeting Minutes adopted 6:12pm unanimously

**Reports**

**Principals Report: 5:36pm**

- Construction for the single point of entry is underway in front of school. It is projected to be completed sometime in March and when complete will have a fence securing the front of the school for one way into the school and one way out of the school.
- We continue to stress the importance of the SAT and ACT to students. The majority of students have taken one of the two tests and the school has purchased an additional 50 vouchers for the SAT. If a student is in need of retaking the test and is having difficulty paying for it we have the voucher available to ensure they have the opportunity for success.
- Aviation program is going very well. We have a pilot who comes every other day to instruct the students in a dual enrollment class through Embry Riddle. She teaches them about a career as a pilot as well as teaching them how to fly using sophisticated flight simulation equipment. She is working on getting field trips to the local airport as well as a larger field trip in association with Jet Blue to the Ft. Lauderdale Air Port.
- We are requesting \$15000 in SAC funds to be able to purchase five more Redbird Flight Simulators.
  - Motion to approve \$15000 in SAC funds made by Commissioner Williams.
  - Motion carried and passed unanimously.
- We are working with alumni to put together a career fair where local business partners come to the school and in some cases offer internships or even summer positions for our students. The date for this fair will be April 3<sup>rd</sup> and we are debating two options. The first option would be all the students attending a career fair in room 161 and the second option is that the business partners will go to individual Personalization classrooms to give presentations to smaller groups.
- The college fair last week went very well. A job well done goes out to our Brace advisor Ms. Creary and the SGA students who worked hard for a successful event.
- We recognized 40 students who received all A's and an additional 300 students who got A's and B's. These students received a certificate and a snack.
- We continue to track every student in hopes of catching their needs early on so that they may graduate in good standing.

- End Principal Report 5:59pm

**Faculty Presentation 6:12pm**

English department with Armando Santiago

- Mr. Santiago introduced the English department.
- The end of February is an important time for the English department as it is FSA retakes for 11<sup>th</sup> graders. The FSA will be given in April and May of this year.
- The first semester the English department taught all the standards and the second semester they reteach them while incorporating test taking strategies.
  - English is focused on aggregating data this year from several sources: FAIR Testing, BSA, FSA, Achieve 3000, SAT, PSAT, Writing Folders.
- English Report end 6:18pm

**Old Business: 6:19pm**

- Discussion for change of time or location of SAC meeting occurred.
- No change to date or time made but discussion surrounded offering service hours for students who bring parents to attend meeting.
  - Offer Service hours
  - Make a Robocall to remind of meeting times and details.
  - Hours capped at 2 hours per meeting unless they bring more than one family, they get an additional hour for each family they bring.
  - Motion to accept. Carried. Passed unanimously. 6:23pm

**New Business: 6:23pm**

- Mr. Williams stated that the city has a scholarship that is a merit scholarship. He is going to coordinate with Dr. Almanzar for the details.
- Mr. Williams also shared the upcoming opening of the garden for service hours on Saturday mornings. The garden is on the corner of 31<sup>st</sup> and 40<sup>th</sup> by the elementary school where students will be able to help grow food that they can eventually harvest to take home as well.

**Mr. Barrow's Report**

- Mr. Barrow lead a discussion on the last Area Advisory Meeting. 6:00pm
  - There is going to be a school safety meeting February 25<sup>th</sup> at Taravella High School. Families, teachers, and students should attend as the "squeaky wheel gets the oil," we should advocate for the safety we need and not let a handful of schools and parents decide safety standards for the entire district.
  - Mr. Barrow handed out a sheet with different committees that parents, teachers, and faculty can be a part of. He encourages everyone to make a difference by attending and joining these committees. There is no reason that a room full of 20 people should make decisions for the entire county.
  - We are spending money on safety initiatives that might not be the best option for every school while not every school has the tools they need to succeed.
  - End Report 6:06pm

**Next Meeting Date & Time:**

The next meeting will be held on March 19, 2019 in Room 161

**Meeting Adjournment:**

Motion: Madame Chair Melissa Yezdimir motioned to adjourn the meeting at 6:26pm. Motion carried unanimously.
