Reports

Principals Report: 5:33pm

- There is a trip planned this year for Los Angeles, California. Students will be there for 5 days and have a lengthy agenda. Ms. Duperval will give the details.
 - Ms. Duperval: Students will visit UCLA and Cal State. There are two IB world schools students will also visit. Recreationally students will be going to Madame Toussauds, Universal Studios, the Grammys, the Oscars, Santa Monica Pier, and Pacific Park. Further educational tours are also scheduled outside of schools to the Griffith Observatory and Planetarium, and the Museum of the Queen Mary Ship.
- Friday is a planning day and will also be an emergency lockdown training. About twenty police officers will be conducting a code red lockdown drill without students present. These procedures will train faculty and staff on what would happen if the police ever do have to address a situation on campus.
- Career day is April third. We have been working with alumni of the school and have about twenty-six alumni and local professionals who will come and speak with our students. Some of these professionals include: a chef, a college professor, a pilot, a designer, a mental health practitioner, a marriage counselor, and an engineer. These are individuals with vast amounts of experience who may also offer our students some great opportunities.
- Some important upcoming dates are graduation on May 7th and the Broward Center. We have Grad Bash on April 6. Prom is held on May 4th and senior awards are on May 9th.
- Ms. Creary is putting together a field trip to the local airport with the aviation classes. While there they will be able to speak and interact with professionals in maintenance and the tower while also being able to tour the facilities and different planes.
- We continue to track Senior progress. We have a few students who have yet to pass our state tests but we continue to work with them and we have Princeton Review coming to tutor and prepare our students to pass the SAT. We will continue to work with our Seniors even after graduation if need be with the hopes that they can all leave with a diploma.

- End Principal Report 5:42pm

Faculty Presentation 5:46pm

Reading department with Dr. Mullings 5:46pm

- Presented on the requirements and study of the SAT and ACT exams.
- Presented details on how she prepares the students to master the tests.
- Reading Report end 6:03pm

Science department with Ms. Reid 6:06pm

- Introduced the Science department teachers.
- The objective of the science department is to use data driven instruction to improve reading comprehension and literacy in the science disciplines for all students.
- Biology has an End of Course (EOC) Exam as a graduation requirement.
- The science department SECME club is planning on attending an annual Olympiad for secondary schools with Mr. Welch.
- End Report 6:12pm

Old Business: 6:13pm

No Old Business

New Business: 6:13pm

- Stakeholder Survey: 6:13pm.
