## Reports

### Mr Barrow's Report: 6:19pm

- During the last Area Advisory Meeting Brian Katz and Robert Runcie were present and we discussed random searches of students. Some parents were for this issue and some were against but whichever side of this issue you stand on make your voice heard by coming to the meetings or by emailing Brian Katz and telling him. I asked if the random searches applied to everyone, including staff, and they said no that it was only for students. If we want change, we need to speak up about these things.
- (Handout given to those present) The sheet that was just handed out has the names of all the committees that are available to us. Please get involved with some of these committees and make yourself heard. Some of them you have to be appointed to but you can still attend the meetings even if you can't say anything. The more involved we are the better we can have things for our kids.
- (Handout given to those present) The second handout is a free app for books and audiobooks. There is a summer reading list for the students, maybe they can get some of the reading from this app.
- End Report 6:28pm.

### Old/New Business: 6:30pm

- New Business
  - There is a YMCA family night on April 30<sup>th</sup>, all parents interested are welcome to come for more information.
  - There was a group of students who went to Orlando for a music competition and came in second in the state. Phenomenal job.
  - Recently Mr. Runcie was visiting Princeton with his daughter and a student came up to him who graduated from BA in the IB program. He said the best decision was when his parents chose to send him to Boyd Anderson.
  - A former Boyd Anderson student whose parent, Ms. Griffith, is present was invited to speak at UF during a commencement ceremony. He will be speaking in front of a large audience at UF.

### Next Meeting Date & Time:

The next meeting will be held on May 21, 2019 in Room 161
