SCHOOL ADVISORY COUNCIL

AdvancED Accreditation Standard:

The accreditation standards allows all staff to lay the groundwork for success in our schools and for our students. The benefits of accreditation increases student achievements, provides safe and enriching learning environment, and runs an efficient operation. The standards also ensure students are interacting with teachers that are working to improve their teaching methods, a smooth transition from grade to grade, a rigorous and diverse learning, a curriculum based on quality standards with support as needed, and so much more.

- **Standard 3: Teaching and Assessing for Learning**
- The school's curriculum, instructional design, and assessment practices guide and ensure teacher effectiveness and student learning.
