Agenda:

Principal's Report

- The school has opted for giving the BSA test (Broward Systems Assessment) in order to be able to know what we need to do to prepare students for the FSA test.
 - ELOP programs: There is a limit of 15 students per club. Payments are made online directly with the district.
 - Some of our students have recently competed in the debate program at Everglades high school.
 - The students have recently competed on the Robotics Competition in Boca Raton. The girls won the Energy award. MLE is planning to compete in the next Robotics competition coming up on January. As a school we are trying to promote our female students to see themselves in different careers. The school recently had female engineer visitors that had different discussions with our female students.
 - The school will be starting the ICON (I can overcome negativity) program soon. The idea is to guide the male students and help them through their journey of success.
- iReady: Students are completing lessons at home. This program provides students with lessons that will help them strength their academic weaknesses. We encourage students to continue working towards completing weekly lessons on iReady.

Important Dates

- January 8th: Beginning of the 3rd quarter
- January 10th-11th: BSA ELA Test (3rd-5th Grades).
- January 14th-15th: BSA Math Test. (3rd-5th Grades).
- January 16th and 17th: BSA Science Test. (3rd-5th Grades).

SIP Update

We are up-to-date on loading all documentation to the SIP website. Mrs. Hafez encouraged suggestions to the SIP. A reminder that the SIP is a living document that can be accessed online.

Title I Update:

- A Parent training on how to help students at home with writing will be held on December 20th, at Boulevard Heights elementary from 7:00 -8:30.
 - Title I survey was previously sent home. Parents were asked to complete the survey and send it back to school. The answers of this survey will help the school make improvements in all areas regarding the school.
