What is a Fringe Benefit?

THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA
Florida School Recognition Funding

Why was my total award reduced by 9.52% for fringe benefits?

When compensation is paid to an employee, the employer incurs costs for payroll taxes and other fringe benefits. Included in the total amount of School Recognition funds received by the State is Broward County's portion of the payroll taxes fringe benefits. In addition to the 9.52% employer contribution, the employee is subject to withhold taxes for Federal Income tax and FICA (Social Security and Medicare). These percentages may vary for each employee based on income and number of dependents.

If your school does not utilize the entire allocation for bonus payments, you will be entitled to a "refund" on the 9.52% fringe benefits that were deducted from your total award for non-salary expenditures.

For example, ABC Elementary School's total award is \$88,906 with \$7,728 deducted for fringe benefits and \$81,178 placed in the school budget.
