Ms. Phelps reported for the Safety/Discipline& Attendance Cadre. The priority is everyone's safety. Most feedback receive has been appreciation for the increased security.

Uniforms- Parents have verbally voiced wanting uniforms as a requirement for the school. Some reasons presented include: they allow for easy identification of students, add an additional layer of security for the school, can be financially beneficial to parents Uniforms require a formal voting process. One ballot is sent per household. Of the audience present, 28 raised hands in agreement of pursuing uniforms for the school.

Field trips - Students should have the PLE t-shirt to wear for field trips. Send a message to your child's teacher with sizing in case an order needs to be placed.

Questions, Comments and Announcements

Parent Question- Is there data that shows the effectiveness of school uniforms as a safety tool? Specific data was not cited however, it was mentioned that district safety teams have recommended uniforms as a deterrent and easily identifiable way to locate trespassers.

Parent Comment- Can be a pro/con for school safety because it can confuse dispatch if all are wearing the same thing or can help to identify students that don't belong.

Response provided- uniforms will have a patch on the shirt. Bottoms can be purchased anywhere.
