Minutes from the previous PLE SAC and SAF Meeting Minutes were presented.

Title 1 Updates-

Mr. Coleman reviewed the results of the Title 1 Annual Parent Survey. He discussed the percentages from the survey components. Mr. Coleman also discussed and solicited responses for school level family engagement and the School-Parent Compact was discussed. School Improvement Plan, Parent and Family Engagement Plan, School-Parent Compact, and Parent Involvement Allocation were all discussed with parents and the parents were informed of ways to add information or provide input to the school for improvement to these components. No feedback given at the time of meeting but parents were advised of ways to get info added if they get any ideas that would help the school. Mr Coleman stressed to the parents when feedback or suggestions are given their info would be added to the plan and used to help Pasadena a better school for all stakeholders.

School Improvement Plan (SIP)

18-19 Plan reviewed and discussed new ideas for the 19-20 school year. Parents were able to see the plan and add input. Not much input given but they were pleased to know they had the opportunity.
