School make-up work policy must be on each school's website

Facilities progress...single point of entry

Safe Haven will release their district-wide assessment and recommendations for their on 11/27 at Plantation High School.

The meeting was adjourned at 4:30

Discussed parental concerns regarding supervision following the completion of after school activities such as sports practices and clubs. Mrs. Henschel sent an email to all coaches, club sponsors and anyone else who may be in a post school-day supervisory position stating that all students who are remaining on campus must be with the adult responsible until the students are picked up.

The meeting was adjourned at 4:10pm.
