J. P. Taravella High School  
Professional Study Day Waiver

And Continuation Rationale  
2019-2020 School Year

A. Rationale

**Article five of the BTU Teacher Contract: Conditions of Employment; Section L: Teacher Planning Days L.3 – Schools have flexibility on how to utilize up to their current allocation of twenty-seven (27) hours per year of the total time available for professional development, exclusive of time allocated for teacher planning and preparation. Professional development activities shall be scheduled on planning days and two additional early release days exclusive of the four (4) early release days specified in section W.**

After pre-planning days, our school will have a maximum of eight hours for professional development on early release and planning days. According to the School Improvement Plan goals of scaling up BEST Practices in order to move up in ranking within our SES Band, additional time is necessary for professional development on the state standards, various subject area End of Course Exam preparations, PLC CARE Cycles, implementation of Marzano high yield teaching strategies, collegial interaction, Canvas blended learning training, and time for self-reflection and improvement as it pertains to iObservation and the teacher evaluation system. The success of this will translate into increased student achievement, as evident by our increase in College Career Readiness, staff morale and promotion of high school reform. The additional time is time offered to teachers within school operating hours.

For the 2017-2018 school year data is as follows:

ELA Achievement	52%
ELA Learning Gains	49%
ELA learning gains lowest 25%	42%
Math	37%
Math learning gains	36%
Math learning gains lowest 25%	36%
Science	59%
Social Studies Achievement	74%
Acceleration	46%
Four Year Graduation Rate	91%

B. Evaluation of Effectiveness of the Waiver

A Professional Development Team has been implemented to assist with the Professional Study Days and ensure quality staff development through the use of a review process. Student achievement will be measured through student achievement data such as: FSA, high school graduation rate, enrollment in classes of high rigor (AP, Dual-Enrollment and Honors), pass rates of various content specific End of Course Exams and college readiness exams, business certifications.

C. Professional Study Days -Dates will not conflict with teacher planning, early release, EOC dates etc.
