Questions, Concerns, Comments

Mrs. Ruido is concerned about the amount of teachers being let go from Sea Castle because of the decrease in enrollment. Administration explained that because we're losing students, some teacher will have to be let go because of class size. She doesn't agree with administration that many students are leaving Sea Castle. Mrs. Ruido is concerned that teachers are being let go now, however when school begins in the fall new teachers will have to be hired. Administration explained that the budget is currently providing funds for teachers based on previous years of enrollment in Kindergarten. They cannot account for students that may or may not come starting fall. She also has concerns about optional teachers being surplus. Mr. Lee asked if the SMART program had started another project since our last meeting.
