**Riverglades Elementary
School Advisory Council Meeting Minutes
April 22, 2019**

Attendance: attached. We do not have a quorum.

Call to Order:

A meeting of the Riverglades Elementary School Advisory Council was called to order by Mrs. Seltzer at 9:43am. SAC Secretary, Diane Jordan recorded the minutes for this meeting.

Minutes:

Elisha Johnson motioned to approve the minutes of February 25, 2019. Pam Ofstein seconded the motion. A vote was taken. Motion outcome: The minutes were approved as presented. Jody King motioned to approve the minutes of March 18, 2019. Jessica Malone seconded the motion. A vote was taken. Motion outcome: The minutes were approved as presented.

After Care Safety Report: Mrs. Seltzer shared that our AfterCare Program passed their most recent safety report with flying colors. There were only two minor exceptions; one counselor forgot her badge in her car. She retrieved it, but we still received the markdown. The other exception concerned the security monitor locking the gate and monitoring the campus. As principal, Mrs. Seltzer would prefer the monitor stay at the gate. We have an additional supervisor who monitors the campus regularly.

SMART Bond Money: Mrs. Seltzer shared: as a result of the safety inspection conducted by the district, we were given additional walkie talkies. Mrs. Seltzer discussed many of the items on our current list/proposals. Additional speakers for the exterior hallways, two push bar gates from the playground area, a digital marquee, removal of the sand from the two playgrounds and replacing with a textured surface.

A parent asked about the district helping with the cost of removal of the sand. The parent will look in to options and share with administration. Mrs. Johnson will also take the question to the District Advisory Council.

There must be a \$15,000 difference between the two proposals.

A parent asked about having afterschool clubs? Mrs. Seltzer will look in to the possibilities for next school year.

Mrs. Seltzer asked the parents for their input on the SMART Bond proposal items. A discuss followed including sand on playgrounds and the marquee. A grant writing consultant from the district may be arranged to present to parents and teachers at future meeting after school. A parent asked about STEM and science. Mrs. Seltzer and Mr. Duhart shared about our STEM special. Play shades will be added back. New updates are included.

There will not be a summer camp program this year at Riverglades.

A parent asked how the teachers keep in the loop during an emergency? Mrs. Seltzer responded that her priority is to secure the campus, then she will share pertinent information.

Other ideas were shared. A new safety chief is in place with Broward Schools. He is reviewing the district procedures.

One of the campus improvements include some of our windows being replaced.

The cell phone policy was discussed. Mrs. Johnson will address the concerns at the North Area/District Advisory Council.

Social Emotional curriculum was discussed. Training will continue with teachers and in the classrooms, as stated in our school wide positive behavior plan.

SIP - Developing: Mr. Duhart shared the school wide positive behavior plan with its details of meeting dates, statistics, expectations, rules, and trainings for teachers.

Questions, concerns, and ideas: Do we have a new IT person? Starting July 1st, 2019, we will have a fulltime person.

Are parents allowed to eat lunch with their child(ren)? Administration will start with one day a week. A parent link will go out to announce the procedure.

Are there areas outdoors for learning? Mr. Duhart shared about the outdoor classroom in The Preserve as well as the inner courtyard areas.

Are the teachers trained in RtI? Diane Jordan explained how a teacher may refer a student to RtI.

Meeting adjourned 10:45am

Future SAC meetings will be held in the back of the media center. The meeting will follow the SAF meeting at approximately 9:30am.

The dates are as follows:

May 20, 2019
