- I. Roll call to establish quorum / Introductions

Attendance:

Lisette Diaz

Vanessa Cox

Edgar Collado

Joanne Dyer

Maritza Masseria

Mary Whalen

Nicole Balva

Amy Edelman

Meeting called to order at 2:30.

Quorum is 35%

- II. Approval of Minutes from February Meeting

Approval of minutes from February are not approved because we didn't meet quorum.

- III. ASSIST Stakeholders Survey-

We are the only school in the area that has met all the targets. We needed 214 student surveys and have 313 student surveys completed. We needed 67 staff surveys, and we now have 88 completed. For parent surveys, we needed 127 completed and now we are at 138 completed.

IV. SAC Nominating Committee & 2019-2020 SAC Composition –

We should try and educate parents and teachers about the school website and all the information available to them under the SAC/SAF tabs. Mrs. L. Diaz worked with Mr. Boehm to have it included on our website, such as important dates, SIP, and SAC Bylaws.

Per SAC Bylaws, we need a nominating committee of at least 3 members for new positions that become available. The position for Gifted Rep. will be open next year. We need to advertise the opening for SAC using all forms of communication and post on the school website.

V. Principal Report

3rd grade FSA Camp ends on March 19th.

Testing dates: April 2nd and 3rd for ELA for 3rd grade. April 2nd for 4th & 5th grade FSA Writing-Score will be part of the ELA score.

VI. BTU News

Florida Legislature is in session and taking all bills to vote on. Bond money may be divided between public school teachers, private school vouchers and charter schools. The voucher will be funded directly from general revenue, further depleting the funds available for public schools.

Questions? Edgar Collado inquired about the tower behind the 4th grade and 3rd grade building. If it is a cell phone tower, who put it there? Has it been tested for radiation or has an environmental report ever been done?

Meeting adjourned at 2:52pm.
