

Sandpiper Elementary School Advisory Council
November 15, 2018
(2nd Meeting of the year) Sandpiper Media Center

Welcome

The meeting was called to Order at 5:00 pm by Mr. Godoy.

SMART Bond Updates - Marlaine Ghaby

Ms. Ghaby, project manager, came to update us about the SMART bond choice monies projects of a primary playground and electronic marquee. Both projects, after many delays, are in the permitting stage and expect to be started at the beginning of 2019. The other choice monies projects have been completed (blinds, morning announcement equipment).

SAC Updates - Mr. Godoy

Mr. Godoy provided an information sheet detailing SAC goals and strategies for this year. During discussion, Mr. Ortiz asked if coding programs are available for students as he feels that coding is skill students will use in the future. Ms. LaChance will investigate options for the school. The Hour of Code is in December and students participate in that.

Stemscopes science curriculum - each grade level has a room for science experiments as we no longer can fund a science resource teacher. Parent volunteers will assist in set ups.

Accountability funds - Sandpiper has \$2,896 in accountability fund for this year. After discussion, Ms. Nicolas motioned to use 100% of the funds for student incentives for the 100% Standard Mastery program, I-ready program, and Reflex Math programs. Incentives will include t-shirts and rock star parties. Motion approved.

It was noted the due to a lag in Title 1 funding, the Reflex Math program is on hold while the funds clear to pay for the school's account.

Mr. Godoy introduced Ms. Gomez as our new SAC chair. He will step back as he pursues other educational goals.

Title 1 - Ms. Shaffer

Our Title 1 Plan and Parent and Family Engagement plans were bought up for discussions. No changes were needed. There is Title 1 training tonight if anyone is interested. Parents are still needed as Title 1 representative.

Principal's Update - Ms. LaChance

11/16 - Honor Roll Assembly for 3rd, 4th, & 5th Grades.

Teachers are learning about Interactive Read Alouds during PLC.

Wednesday and Thursday mornings, I-ready is available for 4th & 5th Grades in the computer lab starting at 7:30 am.

Ms. LaChance and Ms. Hernandez have begun formal observation for teacher evaluations.

Ms. LaChance will participate in a Threat Assessment upstate.

11/30 - Caught Being Good Store in the cafeteria during lunch.

12/24 - 1/7 Winter Break (students back on Tuesday 1/8, teacher planning day on Monday 1/7 with training on being culturally responsive).

Meeting adjourned at 6:02 pm.

Welcome - Ms. R-Love

Meeting was called to order at 6:03 pm

Ms. R-Love provided parents with the calendar options for the next school year. All agreed that the option with the Monday start made more sense to them.

Meeting adjourned at 6:15 pm.
