Discussed issue of bullying at schools and the standardization of procedures across the county. SAF members encouraged to attend. Next SAF meeting is 9/13/2018 at 9:00.
- IZone Report
 - Nothing to report at this time
- Principal’s Report
 - Short 70 students from projected enrollment (currently at 1037 students enrolled); resulted in the loss of 2nd AP position and three teaching positions. We have really appreciated flexibility from all as classes were adjusted.
 - This year’s schoolwide (and countywide) focus is assisting students in performing in the bottom quartile. Teachers are being trained on all interventions held at Silver Ridge.
- Safety
 - We have made changes to improve arrival and dismissal safety procedures. Carline tags are being enforced and drivers without tags are subjected to ID checks. Parents are reminded that if students are being dismissed as walkers, they have indicated your comfort with those students being dismissed as walkers through the walker gate. Parents who prefer students to walk to a given location are encouraged to go through the carline.
 - Halloween traditions are being revisited. Due to new safety and security concerns, large-scale events (Halloween parade, Octoberfest) may not adhere to the policies and procedures set forth by the district. It impacts on-campus events specifically. More details will be shared as adjustments are made.
