SAC Meeting
Silver Ridge Elementary School
Wednesday, November 14th, 2018
2:15 pm, Conference Room

- Welcome/Sign In/Introductions
 - Meeting called to order at 2:23

- Approval of October Minutes
 - Motion: Darlene Giol
 - Second: Lesli Balding
 - All in Favor

- SMART Bond Report: Project Charter Meeting
 - See presentation for details.
 - Concern raised about renovations being done to exterior doors, then redone to comply with single entry. Team reports that those are two separate funds and projects.
 - Concern raised that two-story building AC will not be addressed. SMART Bond money was not allocated for this building based on 2014 needs assessment; ACs are replaced in this building as needed through separate funds. It will be reviewed and looked at more carefully due to potential discrepancies in needs.
 - Process includes permit, selecting a vendor, and implementing. Goal is to avoid interruption of academic activities. That phasing/staging plan is reviewed with the principal. Plan begins conceptually and specifies work/contractor locations
 - Single Point of Entry standards: Parameter fencing, single point of entry and sign-in before accessing campus. Silver Ridge meets these standards.
 - Once permit is received (hopefully before January 2019), 4-5 months selecting contractors, taking bids, handling procurement/capital and administrative needs
 - Bulk of work to be done is mechanical

- Equity Committee Updates
 - Inclusive Schools Week is early December. Plans will be discussed at Equity Team meeting on November 15th. Team is also working on a staff training.

- PTO Updates
 - We did very well with the Boosterthon. Looking for feedback from teachers. We made over \$28,000 and surpassed funds from last year.
 - PTO meeting is November 30th at 8:15
 - Dress-down day was very successful – we made about \$250

- PTO is looking into purchasing Tana-Kee-Kee journals for those in need
- Five Below shopping Fundraiser is November 26th – December 2nd more information is to come
- Harvest Drive final count will be completed at the end of this week. First estimate is \$1,360+ in cash and many canned food donations

- Partnership Report
 - No report

- IZone Report
 - No report

- Principal's Report
 - Letter sent home in report cards to parents addressing safety and security changes. Our school is committed to following district guidelines. Our school aims to be part of our community, but it is not a community center. Restrictions on campus are due to logistical issues (having only 1 STAR system) and a commitment to keeping our campus secure. We are limited within the parameters established by the county. Other schools might make exceptions but we are following guidelines provided to us. Rules for events off-campus (or on-campus when students are not supervised) do not have the same safety and security guidelines. Please see the letter from administration for more information.

- Safety: See principal's report

- Data Review
 - BAS AP 1 Closing November 30th and quarterly data sheets tracking reading groups, progress, and intervention responses will be completed by teachers to cross-reference and provide support.
 - Gearing up for BSA taken in January. This provides data on specific standards that can be targeted. The test is done on the computer but the actual FSA is paper-based this year.

- School Improvement Plan
 - Available from school website
 - Goals mirror those from last year; supports emphasize universal intervention training, cross-content integration, interactive read-aloud, PLCs targeting standards and remediation/support collaboration, improved attendance, SEL and community outreach

- SAC Budget: \$7,793; will soon be requesting funds for FSA Camp

- SAF Report
 - SAF Report will be shared in greater detail at the next meeting.
