3. Department Updates:

A. GUIDANCE

- Ms. Farrukh presented the Duke Tip program information on 9/13/18 before 7/8 grade open house. It was a large turn out of parents.
- Course recovery will begin next week for 8th graders during the day through the media center. Students are able to work on course recovery from home through the USA Test Prep website.
- All grade levels used Naviance last week to complete various activities. Naviance is an online portal which allows students to explore college and career information. Students can access Naviance from home.
- Students will celebrate Peace week this week with various activities. September is Attendance Awareness Month. Next week we will have a guest speaker from the Sandy Hook Promise to introduce the 'Start with Hello' program to LCMS students and staff.

B. ESE

- **No Report**

C. UNIFIED ARTS

- In Art, students just finished up their "one word" project where they had to creatively design and index card using one adjective that positively describes themselves. All index cards were organized in a school mural! We are starting to now work on a peace and equality poster for peace month.
- In Spanish 2, students have just finished reviewing material from Level 1 and started a culture unit on Central America and working with adjectives to describe themselves and others. Students also completed the grammatical differences between possessive adjectives and possessive pronouns.
- In Mr. La Spina's classes, his students in the AM Show crew execute various jobs for the daily live show to take place, and the students are learning each job.
- His Video Production classes are completing their Biography PowerPoint projects and will present them to their class.
- Mr. La Spina's L.E.E.O. (Linking Education and Employment Outcomes) classes are working in a program called GMetrix.
- This program mimics the Industry Certification Test they will take in January for Microsoft PowerPoint for 6th grade, WORD for 7th grade and Excel for 8th grade. His LEEO students are also creating advertising for their Textile Recycling Business which is very successful.
- In Beginning Band students have been assigned instruments and are performing their first test lines from the method book.
- Intermediate students are working in book two and are learning Forward March.
- Advanced students are memorizing their scales and The Star-Spangled Banner. They are also learning new sheet music.
- The fundraiser is wrapping up.

- In Health, students are currently working in the Dental Unit.
- Students will have the opportunity to create dental molds later in the unit.

D. SCIENCE

- Science teachers have been unpacking all the hands-on lab materials that enrich our new textbook, StemScopes.
- Teachers have been working with the students on how to get online to view their textbook and assignments.
