

2017-2018 A+ Funds Staff Ballot

57 Proposal #1

- Distribute A+ Funds equally among all full time 2017-2018 Country Hills Employees. This amount would be determined based on School Recognition Funds awarded by the state.
- Employees who worked between 39% and 99% of full time, or of the school year will be funded proportionately based on their percentage.
- An Honorarium will be given to all temporary employees who worked less than 50% of the school day, week, or school year (not including those who worked less than 90 days) and all new 2018-2019 staff. This amount will be 15% of a full time employee's share, not to exceed \$100.

24 Proposal #2

- Distribute an amount of 80 % of the total award equally among all full time 2017-2018 Country Hills instructional staff.

SAMPLE: If the funds were to total \$50,000 - 80% (\$40,000) would be equally divided among 58 instructional staff members (approximately \$690).

- Distribute an amount of 15 % of the total award equally among all full time 2017-2018 Country Hills non-instructional staff.

SAMPLE: If the funds were to total \$50,000 - 15% (\$7,500) would be equally divided among 19 non-instructional staff members (approximately \$395).

- Employees who worked between 39% and 99% full time, or 50% of the school year will be funded proportionately based on their percentage.

- 5% of the total awarded will be used for an Honorarium for all temporary employees who worked less than 39% of the school day, week, or school year (not including those who worked less than 90 days) and all new 2018-2019 staff not to exceed \$100. Any remaining funds will be used for technology supplies.

SAMPLE: If the funds were to total \$50,000 - 5% (\$2500) would be used for Honorarium distribution as per mentioned above. Any remaining funds would be used for technology supplies.

0 Proposal #3

- None of the above.
