Quiet Waters Elementary School  
School Advisory Council (SAC) MINUTES  
May 20, 2019

1. Welcome: At 7:06 am, Nina Cohen called meeting to order.
2. April minutes were reviewed. Kristen Blankenship motioned to accept; Gayle Applebaum seconded.
3. Nina Cohen reviewed the close-out of the 2018-2019 School Improvement Plan (SIP). She discussed the four areas in which our school focused and met goals. They were: Extended learning, Core Reading, Balanced Literacy and Using Data to monitor students and plan for instruction. Our ELA curriculum focus for 2019-2020 will be on Guided Reading Instruction.
4. Committee members were reminded to view the school "report card" on edudata.org after the test scores for this year have been announced.
5. Nina thanked all SAC members for participating on the committee this year.
6. Principal's Sharing: Mr. Henning reported on the School Choice Enhancement Project. He reiterated the need for technology enhancement and safety upgrades. Maryellen Pinzon put forth the motion to use funds, previously allocated to umbrellas/benches, for technology upgrades. Latoucha Bush seconded. The vote was in favor unanimously. Kristen Blankenship put forth a motion to use the remaining funds (approximately \$1000.00) towards safety upgrades, specifically a "T-key" for all staff for some doors on the school campus. Michelle Gammon seconded and the vote was unanimously in favor. There was no new information on Title 1. Looking toward 2019-2020, Mr. Henning noted there will be a change to our ESE program. An increase in "push-in" services will be in place and the master schedule will be designed to accommodate how we can best provide services to our current ESE students. Mr. Henning thanked committee members for their attendance and participation.
7. An opportunity for new business/open forum was given. There were no comments.

SAC adjourned at 7:25 am

SAF began at 7:26

Ms. Carter reported that the last county SAF meeting focused on Booster Clubs and ID Badge procedures and inquired about the QWE procedure for ID badges. Mr. Henning explained that all students are always expected to wear a badge. We give all students up to three replacement badges and after that, parents are asked to pay a replacement fee. No student should ever be without a badge.

SAF adjourned at 7:27 am

Next SAC/SAF meeting will be in August 2019
