Hawkes Bluff Elementary School Advisory November 27, 2018 Minutes

Welcome

- Mrs. Wicker called the meeting to order at 1:35p.m.
- Quick Introductions (some new faces)

Approval of Minutes

- Motion to approve minutes by Rebecca Scrima
- 2nd by Ms. Unger-Fink

SAF

- FSA and EOC tests have been pushed back. Concerned that the reports will not come out until after report cards. The county would like feedback. Ms. Wicker feels pushing the FSA back is o.k., because it gives teachers more time to teach. Every student takes an end of the year test to make sure there is back-up. The discussion yielded a consensus that the teachers are o.k. with having the extra time before the FSA.
- There is a big controversy on the homework policy. There is a committee that is re-writing the homework policy. Every school will need to put the homework policy on the website.
- Parent Forum on Safety and Security is on 11/27 at 6:00p.m. at Piper High School Auditorium

PTA Update

- Holiday shop in progress

School Improvement Plan

- **Review of SEL Plan:** Every school is required to have a plan. We need to teach social emotional learning. Teach kids to talk to each other and solve conflicts. 6 competencies: Self-awareness, social-awareness, responsible decision-making, self-management, and relationship skills. There are standards for social emotional learning. Mr. Sanford started a program called Sanford Harmony to help teach these skills. Ms. Tanke and Ms. Daub attended a Sanford Harmony training. HBE has Sanford Harmony kits and Ms. Daub sends ideas to incorporate into the day. "Start with Hello" campaign originated from Sandy Hook. We did some activities to promote this. We started the Save Club. Student council reps will be in the Save Club to do activities that promote social emotional learning. Before you speak think of the following things: Is it true? Is it kind? Is it necessary? School board would like us to do a program like Best Buddies, where students build relationships with special needs students.
- Ms. Tanke has many resources for parents and students
- Ms. Wicker went over some social emotional learning activities recommended by the county. Many students at HBE use "safe space" where students know who they can go to.
- We need to make the following corrections on SEL plan: academic measurement; revisit standards to include specific lessons
- Black history, Hispanic Heritage, Women's History, and the Holocaust must be taught. We are trying to integrate these into their curriculum. Does anybody have any ideas? Send Ms. Wicker or Ms. Tanke an email with ideas. We are open to suggestions. Some suggestions were: essay and poster contest; have a

student dress up as a famous figure and go on morning announcements to see if students can guess who it is; door decorating contest

- iReady Diagnostic will run from 12/3-12/21. The information helps us monitor student progress.
- Literacy week is in January. Team leaders are coming up with a plan. We are looking into a vocabulary parade. We want to encourage reading for enjoyment.
