10/10/2018; 11/15/2018; 1/24/2018; 2/28/2018; 4/18/2018; and 5/16/2018

VIII. School Improvement Plan

Closing out of last year's plan after a short review with Mr. Balchaitis discussing the data from the 2017-2018 School Score Calculation Review.

- With the accountability funds, VSY was able to support student achievement by financially securing teachers to provide additional instruction after school for those students who showed deficiencies in ELA and Math.
- With the calculation of ELA, Math and Science achievement and learning gains, VSY had a proficiency score of 63%, which equates to an A.

IX. Principal's Report

School choice was voted on last year and Option 1 was chosen. Some of the materials will be arriving this month and next month

- Communication radios were delivered
- New media tables, chairs and shelving
- Recordex
- Ceiling projectors
- Two proximity scan locks- dining room and the Pre-K playground
- Three water fountains and bottle fillers
- Round dining tables are on their way

Morning mile has begun! Approximately 40 students are out on the field from 8:30 to 9:00. As students accumulate 5 miles, they receive an award for their accomplishment.

Enrichment programs are in the process of commencing- Robotics, Chorus, Debate. The Chess Club is in its planning stages currently. A volunteer training is being offered by the district on Sept 20 at 3:30 to 4:45 in the dining room. Email chessclub@vsypta.org to check for space to attend.

SAFETY & SECURITY

- Arrival/Dismissal Procedures
- Locked Doors; new storage locks installed on all doors which locks immediately upon closure
- Movement on Campus- students must walk as partners
- Securing our Campus- locked gates and monitoring: Parking Lot/Pedestrian Gates/Officer on Campus (a detailed officer or SIU currently)
- S.T.A.R. System- Badges
- Student Staff & ID required at all times
- Review of SBBC Emergency Codes
- State requires lock down drills monthly in addition to the other codes that are scheduled
- Camps and Safety Improvements such as T-keys, Comfort bags, Surveillance Cameras, Safety Plan, Active Killer Training and 2-Way Radios
- In progress: proximity pads, vertical blinds, black out window coverings and speakers for emergency communication
