He is looking at having 2 teachers run the program.

Request from Accountability funds for WriteScore – Dr. Sweeting-Miller explained that the program is designed for the students to have practice in Reading and

This allows the teachers to make adjustments to their lesson plans and help the students master the skills necessary to do well on the assessments. Each part of the program cost about \$5,000. We are looking at offering 2 Readings and 1 Writing or 1 Reading and 1 Writing.
